## PARTS CONNECT

### YOUR MOST COMPREHENSIVE ONLINE SOURCE FOR ALL-MAKES PARTS.

In today's fast-paced and ever-changing trucking industry, fleet managers have plenty to worry about – from safety and emissions regulations to maximizing productivity, minimizing downtime and so much more. Getting the right parts at the right price, quickly, to keep your trucks up and running, shouldn't be one more thing on your list. And now it doesn't have to be.

Parts Connect is an easy-to-use and intuitive online parts ordering system, exclusively from Rush Truck Centers. With Parts Connect, you can search parts for all makes and models of heavy- and medium-duty trucks, check availability and place an order – anywhere, anytime.

**PARTS FOR ALL MAKES AND MODELS.** Rush Truck Centers offers a breadth of product unmatched in the industry, including \$325 million in genuine OEM and all-makes replacement parts from the industry's leading component manufacturers. Hundreds of thousands of parts are in stock and ready for pickup or delivery.

**A BETTER USER EXPERIENCE.** Shopping is easy with Parts Connect. When you log in, the system automatically finds your default Rush Truck Centers location and lets you search local inventory. If what you need isn't in stock, you can check inventory at more than 150 Rush Truck Centers across the country – and have your order shipped directly to you.

**INTUITIVE NAVIGATION WITH PERSONALIZED RESULTS.** Parts Connect is the same tool our Rush Truck Centers parts professionals use to search parts and place customer orders every day – so you see what we see. The simple navigation allows you to search by full or partial part number, description or manufacturer. Results are personalized based on your parts and service history and include full-color imagery, specifications and VMRS data. Related and alternate parts suggestions are also included to make sure you have everything you need to complete your repair correctly. The system also lets you save favorites for future reference and easier reordering.

**CHECKOUT MADE EASY.** When you're ready to check out, just add your selections to the shopping cart, confirm your order and select your pickup or delivery option. When you place a parts order, you can have it shipped directly or delivered from your nearest Rush Truck Centers location. It's that simple. You'll receive an email confirmation of your order. As a Parts Connect user, you can opt in to receive text messages on the status of your order delivery. You will receive confirmation texts when your parts order is received, out for delivery or delivered.
