Cab Features

- 1 STEERING WHEEL**
The contoured steering wheel with bright touches and premium stitching places integrated controls at the driver's fingertips. The Platinum Sandstone interior features a luxurious two-tone leather wheel.
- 2 DIGITAL DISPLAY**
The 15" digital display is the largest in the industry, with easy-to-use features, customizable gauges and intelligent gauge monitoring.
- 3 B-PANEL OPTIONS**
The B-panel includes a standard storage bin, or can be optioned with up to 6 gauges, re-configurable panel, SmartNav® or mounting for aftermarket devices.
- 4 SWITCHES**
Easy-to-reach switches are illuminated and configurable for different applications as well as aftermarket equipment.
- 5 DASH PANELS**
Platinum interiors feature bright trim and rich burlwood grain. The Premier interior utilizes mold-in-color panels to hide wear and provide a sleek appearance.
- 6 AUTOMATIC CLIMATE CONTROL**
High-performance, automatic climate control maintains a comfortable driver environment with five vents for balanced air flow and superior defrost performance.
- 7 POWER PORTS**
Two standard power ports, with options for up to 3 USB connections, provide the driver with convenient connections for devices.
- 8 STORAGE**
Driver-centric storage is within easy reach, such as the door pad map pocket and large cup holders.
- 9 SEATS**
Comfortable Peterbilt LX and ST seats, with adjustable supports, can be configured with leather, fabric, vinyl or Mordura® coverings as well as available heating and cooling.
- 10 DOOR PAD**
The premium-finish door pad includes purposeful storage, integrated courtesy lights as well as window and mirror controls. The Platinum trim features woodgrain matching the dash and plush padding.
