Cummins Overhaul Program.

Increase your savings even more with the Cummins Overhaul Program. From January 1 - December 31, 2018, you can combine your purchase of Genuine Cummins N14, ISM, M11, ISX12 or ISX15 parts and save a bundle.

ISX12 and ISX15 (1998-2016 engines)

If you own a model year 1998 to 2016 ISX12 or ISX15 engine, (CM570, 870, 2250, 2350 On-Highway and Industrial Applications) you will save big when overhauling your engine with Genuine Cummins parts.

When you combine the purchase of an ISX overhaul kit** and cylinder head, you will receive \$500 off your purchase. Receive an extra \$500 off when you make an additional Genuine Cummins parts purchase of \$5,000 for the same engine. Or receive an extra \$1,000 off when you make an additional Genuine Cummins parts purchase of \$10,000 for the same engine, providing you total savings of up to \$1,500.

N14, ISM and M11

If you own an N14, ISM, or M11 engine, you can combine your purchase of an overhaul kit and cylinder head and save \$400. Receive an extra \$400 off when you make an additional Genuine Cummins parts purchase of \$4,000 for the same engine. Or receive an extra \$800 off when you make an additional Genuine Cummins parts purchase of \$8,000 for the same engine, providing you total savings of up to \$1,200.

**All three N14 cylinder heads must be purchased.*

***Product offering subject to change.*

Genuine Performance. Genuine Value.

Receive additional savings and added value with each overhaul option, ensuring the right level of repair to meet your need and budget. Don't take the risk of using non-genuine parts. Genuine Cummins parts are built to meet or exceed the original specifications for performance, reliability, and durability of your Cummins engine. Genuine Cummins parts include the latest upgrades in materials, component design, and workmanship. You aren't just replacing a worn part – you're improving the performance of your engine.

From better performance and reliability to unmatched service and support, Genuine Cummins parts add genuine value to every engine.
