

WE'RE MAKING CHANGES IN MISSOURI  
TO SERVE YOU BETTER.

## WE'RE CLOSING OUR LOCATION IN SEDALIA EFFECTIVE JANUARY 31, 2023.

We will continue to support your needs in the Sedalia area through our dealership in Kansas City. This consolidation will allow us to invest in expanding our mobile service efforts in the region, implement and expand a call center for parts orders, and continue to offer daily parts deliveries to the Sedalia area.

We remain committed to supporting customers with premier solutions across the state. Please feel free to contact Andy Rechten with any questions.
