

Whether you have one vehicle or an entire fleet, Rush Truck Centers Mobile Service is equipped to handle all your maintenance and repairs. Our mobile technicians are highly trained and certified to perform every level of service for all makes and models. With more than 650 mobile service trucks nationwide, we can come to you - whenever and wherever you need us.

We offer three comprehensive Xpress PM inspection packages to fit your needs. Whether you require a quick lube or full preventive maintenance, our goal is to provide same-day service to keep you up and running.
