

Rig Tough Coolant/Surge Tank Caps

Metal Caps

- Free to rotate function allows independent movement of neck and valve gaskets to prevent damage during installation and removal
- Two extra-long ears at the side allow cap to be easily held during installation and removal

All caps are 100% leak tested and made to OEM Specifications

Nylon Caps

- PA66 30% glass filled (hydrolysis resistance) material that withstands high temperatures
- Dual o-ring caps are designed for maximum flow rate, protecting cooling system components
