➤ **CONTACT A RUSH TRUCK CENTER NEAR YOU TO SCHEDULE YOUR APPOINTMENT TODAY.**

* 2007 Emission engines and prior. ** 2010 Emission level engines.

Pricing covers most truck and engine combinations, 2007 engine oil requirements (CJ-4), original build level lube, fuel and water filters as stated per level of service but does not include local environmental fees, applicable taxes, crankcase ventilation filters, optional external filters, brake, clutch and belt adjustments, air filter or any mechanical repair. See your Rush Truck Centers Service Department for complete details. Additional charges may apply for winter blend oil, semi or full synthetic oil, extended life filters and/or modified vehicles requiring additional labor to replace filters. B level service includes annual DOT inspection. Prices effective January 1, 2021 and are subject to change without notice. Rush repair and maintenance services are governed by Rush's Terms of Service as set forth in and accessed through the following link: <https://www.rushtruckcenters.com/rush-maintenance-and-repair-terms-of-service>
